11. (a) pineal gland
12. (c) pituitary
13. (a) pupil dilation
14. (c) both an exocrine and an endocrine gland
15. _j_ hypothalamus
16. _e_ cell
17. _i_ tissue
18. _l_ organ
19. _b_ organ system
20. _h_ neuron
21. _k_ gland
22. _c_ hormone
23. _a_ target cell
24. _d_ homeostasis
25. _g_ alpha cell
26. _f_ beta cell
27. Type II diabetes
28. epithelial tissue
29. connective tissue
30. nerve tissue
31. muscle tissue
32. Type I diabetes
33. endocrine system
34. thyroid gland
35. islets of Langerhans
36. hypothalamus
37. pituitary gland
38. adrenal glands
39. skeletal-muscular systems
40. nervous system
41. digestive & respiratory systems
42. circulatory system
43. excretory system
44. integumentary system
45. True
46. False
47. False
48. *thoughts*
49. *learning*
50. *balance*
