17. (b) magnetism
18. (c) combustion
19. (d) It can be seen in its entirety from Earth.
20. (d) both a and c
21. (b) arachnid
22. (b) when the hemisphere is tilted toward the Sun
23. (a) conduct
24. (b) Bats excrete guano that builds up and hardens into lime.
25. (d) none of these
26. density
27. poisonous
28. equinox
29. seasons
30. non-poisonous
31. shine
32. Isaac Newton
33. reflecting
34. shortest
35. longest
36. winter
37. summer
38. (b) Working hard physically can make you successful, but using your problem solving skills can make you even more successful.
39. (c) A wise person will think before he acts or speaks.
40. (a) Often, situations or circumstances may seem "dark," but better times are just ahead.
41. (c) If you do not know about something or someone, carefully investigate and wait to act or to form an opinion.
42. (a) In time, the truth about all situations is revealed—nothing stays hidden forever.
43. (c) Just because something looks attractive, does not always mean it is a good thing.
44. (a) Just thinking about what is right is a step in the correct direction; however, actually doing what is right is the best choice.
