Lesson 1

The Family

You are making progress! ***Answer the following questions. Circle the correct answers or fill in the blanks with words, letters or numbers as each question indicates. Check your answers from the Answer Key. Correct all errors, then complete your next goal.***

1. Joni and Cody lived with Joni's parents while Cody attended college. _____
   (a) True or (b) False

2. Cody was interested in finding a bigger house. _____
   (a) True or (b) False

3. The Riley family owned an older model: _____.
   (a) car (c) motor cycle
   (b) pickup truck (d) station wagon

4. The Chevy S-10 was used for:
   (a) _____
   (b) _____
   (c) _____
   (d) _____

5. Cody's two jobs were:
   _____ and
   _____.

6. The Riley's apartment was located: _____.
   (a) in a rural area (c) in the suburbs
   (b) downtown (d) on a plantation

7. Cody and Joni knew they had found Billy's house because: _____.
   (a) it was the largest house on the street with the correct address
   (b) there was a "for sale" sign in the yard
   (c) Billy was out in the front yard
   (d) both b and c

8. The chairs on Billy's front porch were: _____.
   (a) rocking chairs (c) chairs with vertical back slats
   (b) recliners (d) ladder-back chairs

9. ***Calf roping*** and ***steer wrestling*** were the two jobs Cody had to work his way through college. _____ (a) True or (b) False

10. Billy wanted Cody to buy the house because Cody and his wife would: _____.
    (a) resell it (c) repair it
    (b) take care of it (d) be gone most of the time

11. If you were to "***grubstake***" someone you would: _____.
    (a) dig a hole for his stake
    (b) call him a grub worm
    (c) provide money for his project
    (d) eat steak for "grub" at his house

12. Cody and Joni were most impressed by: _____.
    (a) the house's rural setting
    (b) the roominess of the house
    (c) the house's mansion-like qualities
    (d) the horse barn

13. Joni liked the idea of a bigger house but was not enthusiastic about the work needed to repair it. _____ (a) True or (b) False

14. Other buildings on the same property with Billy's house included a _____ and a _____.

15. Write the **Life Principle**: "_____ _____."

5. In order to ***transition*** the property, moveable items had to be transported to another location. _____ (a) True or (b) False

6. Cody and Joni could move into the house in about: _____.
   (a) 8 weeks (b) a year (c) a month (d) 6 weeks

7. The plants for landscaping were purchased at a: _____.
   (a) hardware store (c) neighbors house
   (b) grocery store (d) nursery supply store

8. Joni bought ***annual plants***. She could expect these plants to: _____.
   (a) grow year after year (c) bloom and seed in one year
   (b) be noted in a school annual book (d) die and revive yearly

9. The plants Joni purchased were sold in _____ at the nursery.
   (a) 6-inch disposable containers (c) multi-plant trays
   (b) clay pots (d) wooden containers

10. Cody helped Billy, and his housemates clean out the: _____.
    (a) garage (c) horse barn
    (b) house (d) truck

11. Cody wanted to construct barbecue pits from pallets he collected to earn some extra money during the summer. _____ (a) True or (b) False

12. Cody felt that a project on which he and Joni could work together would also help to strengthen their relationship. _____ (a) True or (b) False

13. Write the **Life Principle**: "_____ _____."

Safety First

You are making progress! ***Answer the following questions. Circle the correct answers or fill in the blanks with words, letters or numbers as each question indicates. Check your answers from the Answer Key. Correct all errors, then complete your next goal.***

1. Cody determined he would make _____ from the wooden pallets he had ***salvaged***.
   (a) boats (c) picket fence panels
   (b) bird houses (d) bridges

2. Cody bought some _____ boards and _____ posts.

3. Cody used a ***combination square*** to measure the 2" x 4"s. _____
   (a) True or (b) False

4. The fence panels were made of pickets nailed to long 2" x 4" boards called _____.

5. The front yard fence would enclose a _____ yard.
   (a) 40 x 60 ft (c) 30 x 60 ft
   (b) 40 x 64 ft (d) 15 x 65 ft

6. Cody was able to find the front property lines by locating _____ _____.

7. The survey stakes were placed by a surveyor to: _____.
   (a) find out if people liked the property
   (b) anchor a swing
   (c) mark the dimensions of the property
   (d) feed the homeless in the city

8. Cody outlined the yard by: _____.
   (a) drawing lines in the dirt
   (b) using his combination square
   (c) marking dimensions with string
   (d) none of these

9. Joni designed a curved walkway and flower beds for the house. _____
   (a) True or (b) False

10. Classify the following safety items as pertaining to either E (electrical), MPC (medical/ poisonous/chemical), D (other dangerous items) or S (other safety measures):

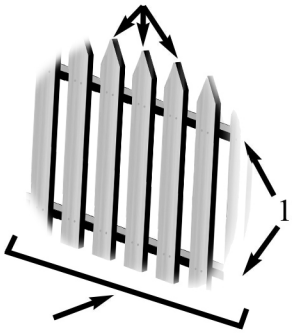

_____Install covers on electrical outlets.
_____Keep poisonous items under lock.
_____Keep all sharp objects out of reach (i.e. knives, scissors, etc.).
_____Secure medicines away from small children.
_____Keep guns and ammunition under lock.
_____Keep fireplace screens in place.
_____Use unbreakable drinking glasses.
_____Eliminate paint that contains lead.
_____Make sure electrical outlets near water have ground-fault interrupters.
_____Teach children to swim as early as possible.
_____Secure water hazards.
_____Insulate all hot pipes.
_____Make sure all open-faced space heaters have safety shields.
_____Make sure that clothesline is strung out of reach of children.
_____Make sure gasoline or chemicals are stored out of the reach of children and are not stored in beverage containers.
_____Rid the property of poisonous plants.
_____Check the electrical wiring.
_____Install smoke detectors.
_____Install a fire extinguisher in the kitchen.
_____Buy a first aid kit.
_____Sample and test the water supply.
_____Install child-proof latches on the household cabinets, and yard gates.
_____Organize and block off garage and work areas.
_____Fence off any unsafe areas.

Cabinets and Cowboys

You are making progress! ***Answer the following questions. Circle the correct answers or fill in the blanks with words, letters or numbers as each question indicates. Check your answers from the Answer Key. Correct all errors, then complete your next goal.***

1. When something is ***upgraded***, it is: _____.
   (a) improved (c) moved up to the next grade level
   (b) installed uphill (d) chopped into small pieces

2. Mr. Knotts offered to provide some cabinet tops. _____
   (a) True or (b) False

3. Billy was _____ when the Rileys arrived.
   (a) roping (c) disking the roping pens
   (b) sitting on the porch (d) making ropes

4. Joni asked Billy to disk the garden. _____ (a) True or (b) False

5. Joni wanted the soil prepared so that she could plant grass and _____.

6. Billy said that ***disking manure*** into the front yard would: _____.
   (a) add nutrients (c) make it softer
   (b) make it stink (d) build the grass

7. Billy used a _____to move the manure.
   (a) bulldozer (b) tiller (c) front-end loader (d) shovel

8. Billy felt that the extra _____ provided by the manure would be beneficial to the growth of plants.
   (a) moisture (b) warmth (c) nutrients (d)none of these

9. When Billy was finished, the yard was composed of smooth, "***friable*** soil." In the context of this sentence, "friable" means: _____.
   (a) hard and not user friendly (c) ready to fry
   (b) soft and ready to use (d) already cooked

10. Cody discovered that all of the top cabinet doors were the same height and width.
    _____ (a) True or (b) False

11. Cody and Joni discovered that the house would not require as much work as they originally thought. _____ (a) True or (b) False

12. Write the **Life Principle**: " _____
    _____."

Warning

Students under the age of 18 should not attempt projects described in this course without supervision by a competent adult.

Hands On

These are OPTIONAL PRACTICAL PROJECTS to be conducted under direct supervision of the teacher while manipulating tools and equipment included in this section. (No Answers in Key)

Complete activities as indicated.

1. List some items that would be part of a budget.

   _____
   _____
   _____
   _____
   _____

2. List some considerations when deciding to buy a house.

   _____
   _____
   _____
   _____
   _____

3. Discuss the reasons for putting manure on a lawn.
